

## Kidneys So Bad-- Case Pronounced Hopeless

Mr. Frank Brownell, who was a great sufferer from kidney trouble, was completely cured by five bottles of

### WARNER'S SAFE CURE

The World's Best Remedy for the Kidneys and Liver.  
Constipation and Biliousness.

MR. FRANK BROWNELL.

On October 21, 1910, this gentleman wrote as follows: "Nearly 18 months ago I commenced using Warner's Safe Cure. At the time I was troubled with a great deal with my kidneys. My brother from Michigan, who was visiting me at the time, told me of a case where a neighbor of his had been cured after having been given up to die, several doctors telling him his case was hopeless. What he told me induced me to try Warner's Safe Cure. After using five bottles I felt well again. I know of another cure since mine. This party was in a very bad condition from kidney trouble, but was restored to good health by Warner's Safe Cure. I have told you this not only for your benefit, but for the benefit of all who are suffering from kidney disease, and I sincerely hope it will do them as much good as it has done me."

Disordered kidneys cause more sickness, suffering and serious complications than any other disease. Thousands of people have kidney troubles and do not know it. If in doubt make this test: Put some morning urine in a vessel, let it stand 24 hours. If there is a reddish sediment in the bottom of the glass, or if the urine is cloudy or milky, or if you see particles or germs floating about in it, you should commence using Warner's Safe Cure at once. Warner's Safe Cure is made from the fresh juices of plants and medicinal roots, gathered at the proper season in various quarters of the globe. Men skilled in pharmacy and chemistry compound it. It is pleasant to the taste and agreeable to the most sensitive stomach. Put up in 50c and \$1.00 sizes and sold by druggists everywhere.

### CONSTIPATION AND BILIOUSNESS

When the bowels do not move freely it shows that the liver is inactive, and the bile, instead of being eliminated by the intestines, is taken up by the blood. In consequence the internal organs are deranged and you have a bilious attack. After frequent attacks the skin becomes sallow and rough. You are troubled with headache, coated tongue, bad breath, sour stomach, loss of appetite, pains in the side, and you feel out of sorts, and should take Warner's Safe Pills. They are purely vegetable, sugar-coated, absolutely free from injurious substances, a perfect laxative, and do not gripe or leave any bad after effects. 25c a box.

**SAMPLE BOTTLE AND BOX OF PILLS FREE.**—To convince every sufferer from diseases of the kidneys and liver that Warner's Safe Cure will absolutely cure, a sample bottle and a sample box of Warner's Safe Pills will be sent FREE OF CHARGE, postpaid, to any one who will write WARNER'S SAFE CURE CO., Rochester, N. Y., and mention having seen this liberal offer in the Richmond Sunday Times-Dispatch. The genuineness of this offer is fully guaranteed by the publishers.

## KAISER FIGURES IN CHURCH DISPUTE

Charged That He Is Unduly  
Influenced by Catholic  
Nobleman.

[Special Cable to The Times-Dispatch.]  
Berlin, December 3.—In addition to his temperate campaign the Kaiser is also figuring in a political dispute between the Protestants and Catholics of Germany. The Deutsche Bote, the great Protestant organ, declares that the Kaiser is unduly influenced by the great Catholic noblemen of South Germany, who have contrived to reach his ear through his great friend, Prince Max von Furstenberg. This paper states that Chancellor Bethmann-Hollweg recently tendered his resignation, which the Kaiser would not accept. The leading Socialist organ at Munich claims that the Queen of the Belgians, who was born a Bavarian princess, is an adherent of the Socialist party. When the King of the Belgians, accompanied by the Queen, recently opened Parliament, there was a noisy Socialist demonstration within the building. It was supposed that the Queen must have resented this demonstration, but according to the Munich Post, the Queen afterwards declared her sympathy with the Socialists. She is reported to have said: "I understand and sympathize with the Socialists and working classes. They want something which they have not got, and therefore they shout for it. I sympathize heartily with the Socialists' efforts to improve the conditions of life of the laboring people, and I am doing my best to teach my children to hold similar opinions. This story of a Socialist Queen has caused great alarm among the old-fashioned Prussians, who see the foundation of the empire shaking when a crowned sovereign publicly proclaims socialist principles."

## BAPTISTS WILL MEET IN HENDERSONVILLE

Annual Session of North Carolina Body Convened  
Tuesday.

WILLIAM C. DOWD PRESIDENT

Attendance of More Than 500  
Delegates Is Expected.

[Special to The Times-Dispatch.]  
Hendersonville, N. C., December 3.—The eighteenth annual session of the Convention of North Carolina Baptists will convene in the First Baptist church at Hendersonville Tuesday. The convention will be called to order by William C. Dowd, of Charlotte, the president elected at the convention held at Wadesboro last year.

After the opening devotional service the annual convention sermon will be delivered by Rev. J. J. Hall, D. D., pastor of the First Baptist Church at Fayetteville. Following this sermon the convention will proceed to organization. In all probability the body will re-elect Mr. Dowd as president. Three vice-presidents will be chosen. These officers are held at this time by Rev. R. H. Marsh, of Oxford; J. H. Tucker, of Asheville, and T. M. Harrington, of Rocky Mount.

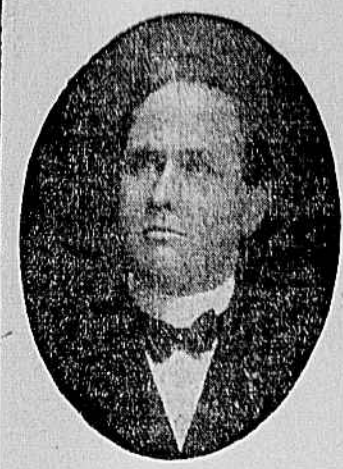

The present senior recording secretary is N. B. Broughton, of Raleigh, and he has held the position since 1882, and will be re-elected. His associate, Dr. C. E. Brower, of Wake Forest, will also be chosen this year to the same position.

The other officers of the convention are: Walters Durham, treasurer, of Raleigh; P. H. Briggs, of Raleigh, auditor, and Rev. Livingston Johnson, corresponding secretary.

The State convention of the Baptist denomination comprises 1,939 churches, with 217,367 members; 1,651 Sunday school scholars, 152,454 scholars, and last year reported contributions amounting to \$128,885.33 exclusive of local church expenses. It is expected that the reports at Hendersonville will show large gains, both in numbers and offerings. The impetus given to all departments of denominational activity by the laymen movement has been marked during the past year.

The program for the convention provides for the reports on the various denominational activities as follows: Foreign Missions, Rev. J. H. Foster, of Wilmington; Home Missions, Rev. W. M. Vines, of Asheville; The Orphanage, Rev. J. A. Campbell, of Blue's Creek; Sunday Schools, Rev. William Hedley, of Reidsville; Rev. T. W. Taylor, of Warrenton; State Missions, Rev. C. E. Maddy, of Statesville; Biblical Recorder, J. W. Bailey, of Raleigh; and Ministerial Education, Rev. T. W. Chambers, of Wadesboro.

**Prominent Men to Attend.**  
Among the men of national prominence who will attend the convention will be Rev. E. Y. Mullins, D. D., president of the Southern Baptist Theological Seminary, at Louisville, Ky.; Rev. R. J. Williamson, D. D., secretary of the Foreign Mission Board of the Southern Baptist Convention; Rev. B. D. Gray, D. D., secretary of the Home Mission Board of the Southern Baptist Convention; Rev. J. M. Frost, D. L., secretary of the Sunday School Board.

W. C. DOWD,  
President State Convention.

of the Southern Baptist Convention. Hendersonville, up in the mountains, is busily preparing for the coming of the Baptist host.

The present pastor, Rev. K. W. Cawthon, took charge of the work November 1, and comes to Hendersonville after a successful pastorate of more than three years at Union, S. C. The church is united and hopeful.

To provide for the State convention the church elected J. Williams, general chairman of committees; Brownlow Jackson, secretary; J. C. Morrow, chairman of entertainment committee; Mayor R. H. Starnes, chairman reception committee; John T. Wilkins, chairman finance committee.

Fully 500 delegates will attend the convention, and a great session is anticipated. The address of welcome to the convention will be delivered by Hon. Charles French Toms.

## TRAIN RUNS INTO MASSIVE BOULDER

Three Killed and Three Injured in Wreck on  
C. C. & O.

[Special to The Times-Dispatch.]  
Bristol, Va., December 3.—Three trainmen were killed and three badly injured when a double-header freight train on the Carolina, Clinchfield and Ohio Railway ran into a massive boulder in the Clinch River Gorge, near Clinchport, before daybreak this morning. The dead are:

T. W. Smith, engineer.  
R. K. Shewalter, fireman.  
Carl Vaught, fireman.

The injured: J. S. Walker, engineer; Mack Vance, brakeman; J. M. Meade, serving as extra brakeman. It is believed the fog of the early morning prevented Engineer Smith from seeing the obstruction, which had rolled from the mountain side. Both engines and five cars left the track and rolled down a high bank. The dead men were pinned under the wreck, and it was some hours before the last of them was removed.

General Manager M. J. Staples and Superintendent Pettyplace hurried to the scene on a special train, taking with them a corps of physicians. The dead and injured were taken to Johnson City, Tenn.
